AQUATICS

Arthritis Water Workout Gentle water aerobics that draws on the warmth of the pool to facilitate basic range of motion and strength exercises.

BASIC LAND CLASSES

Gentle Yoga Appropriate for beginners or those who want a softer, slower paced yoga class. Gentle movement of the body in a comfortable way with modifications as needed.

EZ Movers A gentle, low-impact workout that increases balance, endurance, and strength. Exercises may be performed standing or seated in a chair.

MIND BODY

Sit & Fit Yoga Seated yoga movements, optional standing and seated relaxation.

Qigong (qi means energy and gong means skills) are movement exercises that form an important branch of Traditional Chinese Medicine. Designed to improve energy flow in the body to enhance health and well-being. Incorporates movement, posture, self-massage, breathing technique, and focused intent.

Yin Yoga A gentle class taught primarily on the floor using props to assist in deep release of the connective tissues. The poses are held for 2-5 minutes with emphasis on deep breathing to facilitate complete release.

AQUATICS

Aqua & Yoga Enjoy a full-body workout in the pool with an emphasis on cardio conditioning and strength. Class ends with an extended focus on flexibility and relaxation by adapting yoga movements into the water environment.

Aqua Zumba® Blend Zumba® philosophy and music with traditional water exercises and water resistance for one fun pool party!

Power Water A fun cardiovascular challenge in the lap pool using a variety of exercises to keep you moving!

Water Workout A full-body strengthening and cardiovascular workout using the properties of water and equipment to train without joint strain. Improve endurance & strengthen your core, heart, and lungs.

CARDIO & TONING

BODYPUMP™ A total body workout using light to moderate weights & high repetitions. You will be coached through scientifically-proven moves & techniques using cutting-edge choreography set to chart-topping music. Sculpt, tone, & strengthen your entire body fast & get the results you want!

Interval Challenge Cardio and strength moves are combined to increase your metabolic rate. Interval training can be adjusted to all fitness levels.

Kickboxing Jab, punch, and kick during an energetic kickboxing class. Cardio, coordination, and fun will be emphasized.

Step Blast An aerobic workout using creative step combinations. Some experience with step is recommended though not required.

STRONG Nation™ Combines body weight, muscle conditioning, cardio, and plyometric training synched to original music that matches every single move. Every squat, every lunge, every burpee is driven by the music, helping you make it to that last rep, & maybe even five more.

Zumba® Forget the workout, join the party! Fun dance moves set to energizing music.

Zumba® Gold A Zumba® class with all the original moves you love at a lower-intensity. The design of the class introduces easy-to-follow choreography that focuses on balance, range of motion, and coordination.

CYCLING

Cycling Use various techniques including flats, hills, intervals, and jumps to improve endurance and strength so you can hit the road with speed and power.

All CYCLING classes are beginner friendly! If you're new, come early to learn how to set up your bike.

MIND BODY

Mindful Yoga A traditional slower paced practice that allows you to truly experience each pose to its fullest followed by extra meditation to invigorate, renew, & fortify mind, body, and heart.

Pilates Mat work using rings, bands, balls & props to provide a challenging workout.

Yoga Traditional, moderately-paced meditative practice that focuses on proper breathing, flexibility, strength, & vitality in body while calming the mind. Establish the basics with options for variations to offer a challenge as well.

AQUATICS

Aqua Boot Camp Kick up the intensity with timed drills and boot camp exercises with water equipment to make you sweat but not batter your body. Will get you into shape and out of your aquatic comfort zone.

FITNESS

Build Wisely Performance Purposeful training that is strategically designed for maximal fat loss, while building lean muscle and keeping your joints safe. Program optimizes your ability to perform pain free. Sessions take place in the weight room and use barbells, free weights, bands, etc. Build your body wisely!

Kettlebell Cardio Combo Combine the toughness of the Kettlebell with various exercises for a body changing workout.

Rock Steady Boxing A circuit-style boxing class for people with Parkinson's to help improve reflexes, balance, neuromuscular memory, posture & slow the progression of the disease symptoms. Small group training sessions include periods of work, rest, balance training, & stretching. Caregivers are welcome to attend with the participant. Participant must be diagnosed with Parkinson's. Class requires pre-registration and pre-payment.

Most classes are 60 minutes unless otherwise indicated. For your safety, please do NOT enter a class 10 minutes past the start time. No late entry into yoga or qigong classes.

Schedule is SUBJECT TO CHANGE based on Instructor availability.
