Schedule/class format is subject to change. If a sub is needed, efforts are made to provide a class that reflects the posted format. At times this is not possible or a class must be cancelled. **Check the web calendar at: www.vhwellfit.com & postings for updates.**

Shoes that cover the toes are required in all classes except Yoga, Pilates, Tai Chi, & Aqua classes or as approved by Group X Instructor.

Most classes are 60 minutes unless otherwise indicated.

For your safety, please do not enter class 10 min. past the start time, and no late entry into yoga or qigong classes.
Schedule is SUBJECT TO CHANGE based on Instructor availability. Check vhwellfit.com for updates.

AQUATICS

Arthritis Water Workout Gentle water aerobics that draws on the warmth of the pool to facilitate basic range of motion and strength exercises.

Power Arthritis Water walking and other gentle cardio to elevate the heart rate and add a new dynamic to the arthritis workout.

Water Yoga Enjoy the benefits of yoga in the warmth of the therapy pool. Anyone can reap the benefits of this special fusion class.

BASIC LAND CLASSES

EZ Movers A gentle, low-impact workout that increases balance, endurance, and strength. Exercises may be performed standing or seated in a chair.

Gentle Yoga A gentle style of yoga with a slower pace and less intense poses. Great for newcomers, or anyone looking to add to their yoga practice.

MIND BODY

Chair Centered Yoga A yoga practice using chairs to make postures more accessible to all levels. Focus on breath with seated and standing yoga poses.

Qigong are movement exercises that are designed to improve energy flow in the body to enhance health and well-being by incorporating movement, posture, self-massage, breathing techniques, and focused intent.

AQUATICS

Aqua Volleyball End your week with some Friday fun in the pool!

Aqua Zumba® Blend Zumba® philosophy and music with traditional water exercises and water resistance for one fun pool party!

Power Water A fun cardiovascular challenge in the lap pool using a variety of exercises to keep you moving!

Water Workout A full-body strengthening and cardiovascular workout using the properties of water and equipment to train without joint strain. Improve endurance & strengthen your core, heart, and lungs.

CARDIO & STRENGTH

Anything Goes Cardio An energetic cardio workout using varied formats to prevent you from getting into a cardio rut (with toning during certain classes).

Barre This barefoot interval class will challenge your core, balance, cardio, & strength. It's a fun dance-based & athletic training class all combined in one!

BODYPUMP™ A total body workout using light to moderate weights & high repetitions. You will be coached through scientifically-proven moves & techniques using cutting-edge choreography set to chart-topping music. Sculpt, tone, & strengthen your entire body fast & get the results you want!

Dance Fitness Shake, shimmy, sweat, and shine! Dance cardio class for all levels. Fun upbeat music from all decades. Easy dance moves to burn calories, increase mobility, balance, and coordination while having fun!

Interval Challenge Cardio and strength moves are combined to increase your metabolic rate. Interval training can be adjusted to all fitness levels.

STRENGTH! Try strength moves for all major & minor muscle groups. Use a variety of equipment & effective techniques to increase muscular endurance & strength.

Step Blast An aerobic workout using creative step combinations. Some experience with step is recommended though not required.

Step Cardio Looking to improve your endurance? Try this energetic step aerobics class that will keep your heart pumping while taking your upper and lower body through all planes of direction. With good music and movements, you can cover 3-4 miles worth of steps!

Total Body Bootcamp This class incorporates various equipment, movements and more to keep things fresh and offers a blend of cardio and strength training.

Zumba® Forget the workout, join the party! Fun dance moves set to energizing music.

CYCLING

Cycling Use various techniques including flats, hills, intervals, and jumps to improve endurance and strength so you can hit the road with speed and power.

All CYCLING classes are beginner friendly! If you're new, come early to learn how to set up your bike.

MIND BODY

Foam Roll, Release, & Stretch Learn how to use foam rollers, balls, straps, and other tools to improve flexibility. Explore a variety of stretching techniques and myofascial release to enhance your athletic adventures.

Mindful Yoga A traditional slower paced practice that allows you to truly experience each pose to its fullest followed by extra meditation to invigorate, renew, & fortify mind, body, and heart.

Pilates Mat A strengthening and lengthening form of exercise that focuses on your entire body, especially the core muscles. These exercises are designed to improve strength, flexibility, balance, and overall well-being.

Pilates & More Enhance your mat Pilates practice by incorporating props (balls, bands, rings, light weights, etc.). Explore a deeper understanding of the principles of Pilates by using equipment and variations to take basic mat exercises to a different level.

Power Pilates A Pilates inspired workout choreographed to Top 40 hits to keep you moving & motivated.

Yin Yoga A class taught primarily on the floor using props to assist in deep release of the connective tissues. Poses are held 2-5 minutes with emphasis on deep breathing to facilitate complete release.

Yoga Traditional, moderately-paced meditative practice that focuses on proper breathing, flexibility, strength, & vitality in body while calming the mind. Establish the basics with options for variations to offer a challenge as well.

AQUATICS

Aqua Boot Camp Kick up the intensity with timed drills and boot camp exercises with water equipment to make you sweat but not batter your body. Will get you into shape and out of your aquatic comfort zone.

TRX®

TRX® Circuits Use the TRX® Suspension Trainer and various other equipment to build core stability, strength, & endurance.

**** Come a few minutes early to your 1st TRX® class to learn how to adjust the equipment.**

Rock Steady Boxing A circuit-style boxing class for people with Parkinson's to help improve reflexes, balance, neuromuscular memory, posture & slow the progression of the disease symptoms. Small group training sessions include periods of work, rest, balance training, & stretching. Caregivers are welcome to attend with the participant. Participant must be diagnosed with Parkinson's.

Most classes are 60 minutes unless otherwise indicated. For your safety, please do NOT enter a class 10 minutes past the start time. No late entry into yoga or qigong classes.

Schedule is SUBJECT TO CHANGE based on Instructor availability.
